

STATE MEDICARE CARRIERS

The Medicare program is in the process of making a transition from Medicare Carriers to Medicare Administrative Contractors. Medicare Carriers oversee Part B for specific states. Medicare Administrative Contractors (MACs) will eventually oversee both Parts A and B for all of the 15 jurisdictions CMS has designated.

As we go to press, MACs are in place in 6 of the 15 jurisdictions. The 6 are noted in the list below:

ALABAMA

Fred Robertson, M.D.
Cahaba GBA - Alabama
